Dear Klip Global Ltd,

RE: Your CPD Group Accreditation

On behalf of myself and the rest of the team at The CPD Group, I would like to bid you a warm welcome to The CPD Group family.

As we are fast becoming the most widely recognised and respected CPD accreditor both within the UK and around the globe, it is with thanks to you, our valued providers, that we are able to make this happen and continue the growth of our company through our client's efforts and commitment to all things CPD.

Along with this letter, you will find your 'CPD Provider Certificate'. This is a reference to your expertise and can be used at your discretion to display your accreditation with us.

Should you wish to have your CPD activities accredited, we would be more than happy to continue working with you to extend your professional portfolio.

Thank you for choosing The CPD Group. We look forward to working with you!

Yours sincerely,

Kira Diver,
Accreditation & Compliance Manager
